A person wearing a dark, fringed survival garment stands in a dark, wooded area at night. A large fire is burning in the foreground, creating a dense shower of bright orange and yellow sparks that fall from the top of the frame. The person's legs and feet are visible, and they appear to be standing on a log or a similar natural structure. The overall atmosphere is one of survival and wilderness.

WELCOME TO SLUSH 2016

In fall 2008, a small group of Finnish entrepreneurs got together over a pint of beer. What started there, became an intimate gathering of two hundred people a few months later. As a product of Nordic dark humor, the event was named Slush after the dark, cold and slushy time of the year it was organized in.

Although Slush has since grown to become one of the leading startup and technology conferences in the world, the philosophy behind this non-profit event remains: to help the next generation of world-conquering founders forward.

This Survival Guide gives you an overview of the two days of Slush 2016. The forthcoming 48-hour frenzy features 30,000 square meters of venue, five stages full of exhilarating program, 260 startups at demo booths, a fierce pitching competitions, at least 8,000 investor-startup meetings, 20 restaurants and cafeterias, and hundreds of side events, parties, dinners and roundtable sessions.

Over 2,400 volunteers, entrepreneurs and tech enthusiasts have worked hard to set you up with an unforgettable experience. It is our honor to welcome you to Slush 2016.

Let #slush16 begin! We hope you'll love it!

WHAT'S NEW THIS YEAR?

Slush is much more than the two-day event in Helsinki – there are actually a lot of things happening around it all the time. Here are a few of the new projects introduced in 2016. You can read more stories at slush.org/news

GLOBAL EVENTS

We now have Slush events in Tokyo, Shanghai and Singapore doing the very same as we are doing here in Helsinki: helping the next generation of founders forward.

FIRST MAJOR VERTICAL EVENT: SLUSH MUSIC

Slush Music is a two-day music and technology conference that welcomes 1,500 music and tech influencers to Helsinki. The event encourages honest discussion on building the future of the music industry together. By introducing an entirely new event to its lineup, Slush wants to help entrepreneurs in the music industry bridge the gap between tech, music and entrepreneurship.

PRODUCTION GETS BIGGER: 80 TONS OF STONES AND REAL FIRE ADDED!

This year the venue has UV lights, 80 tons of stone and real fire added, with a river running through one of the stages. In addition, we are building the world's biggest-ever 360-degree conference stage. Slush is the largest technical production ever executed in Finland.

SUSTAINABILITY DEVELOPS FURTHER

Sustainability is one of our core values. Slush holds the EcoCompass certificate, which stands for our commitment to decrease the ecological footprint of the event. In 2015, we measured our biggest environmental impacts and since then we have actively continued working to improve our sustainability performance. This year we will, for example, focus even more on waste recycling, decrease the consumption of bottled water by equipping the venue with tap water points, and favor environmentally friendly solutions in all our main procurement.

SPEAKER STUDIO

For the first time, we are introducing Speaker Studio. It is a small, intimate venue where the audience can hear more stories from the speakers. There will be casual interviews with top-notch speakers including Q&A sessions where the audience has an opportunity to ask questions from the speakers. Speaker Studio is open to everyone.

THE SLUSH FLIGHT

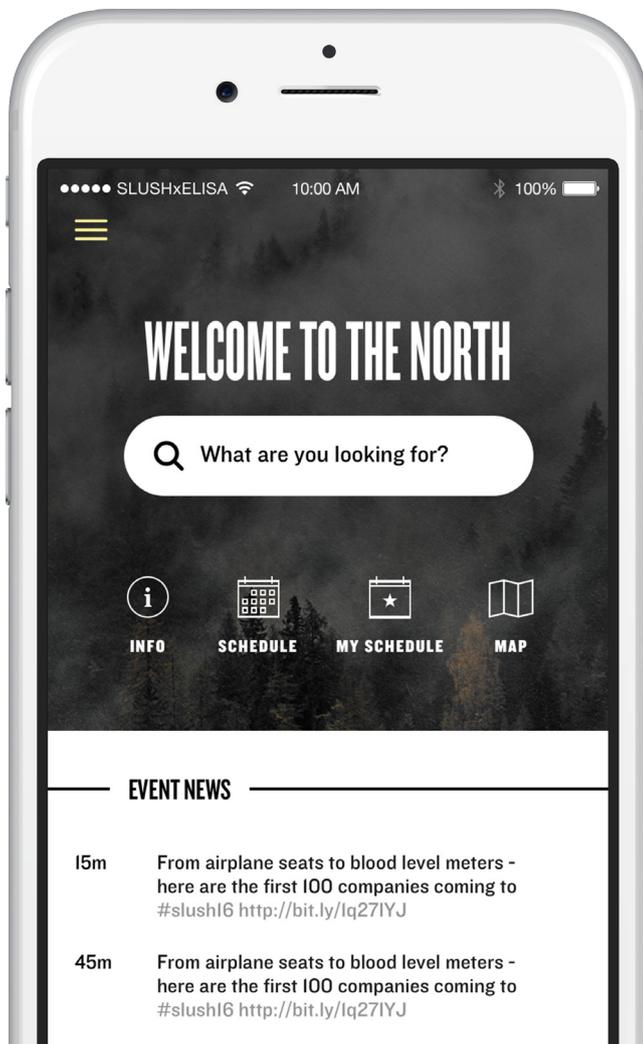

Slush is partnering up with Finnair to fly Slush participants from San Francisco to Helsinki. This kind of a collaboration is organized for the first time to ease the barriers of traveling from Silicon Valley to Helsinki. The direct flight from San Francisco will bring around 300 founders, investors and speakers to the event!

GET THE SLUSH APP

Live your Slush days to the fullest with the official Slush app! You can find the app with the name Slush for iOS and Android. We recommend you download the app already before the event.

WITH THE APP YOU CAN

- See the full agenda and plan your own schedule
- View the map of the venue and navigate indoors
- Get the latest event news and info
- Chat with other participants and share your thoughts in stage-specific and general chats
- Contact our Live Help Chat for any questions or feedback you might have
- Look for restaurants and cafes inside the venue
- Find a full list of Slush 100 participants, demo booths, partners and speakers
- View the list of side events

AT THE VENUE

At Slush, we have put together multiple areas with different functions to make your experience useful and extraordinary. See the list and descriptions from below – locations are found from the map.

FOUNDER STAGE presents inspiring founder stories in all different stage formats. There will be keynotes and firesides about entrepreneurial paths, product launches and showcases of companies who are the rising tech superstars.

GREEN STAGE is a keynote stage, where the audience can get inspired by short industry specific talks. The talks are organized around different topics and will be given by founders, startup employees and other thought leaders.

BLACK STAGE introduces in depth discussions on very specific topics and allows the audience to dive deeper into the themes covered on the Green Stage.

PITCHING STAGE hosts hundreds of startups during the two days, including Slush 100 pitching and semifinals, as well as A-Round Showcase and Science Pitching. It is the place where you can find the most interesting startups of Slush and see them presenting.

SPEAKER STUDIO will host intimate Q&A sessions with selected speakers after their speech. This is a great opportunity to find out more about your favourite speaker. The sessions are open to everyone.

ENGINE ROOM is the home for industry specific stage program and networking sessions where the content is created in co-operation with third parties. On Day 2, Recruiting Day will take place in the Engine Room.

DEMO AREA is the place for startups to showcase their ideas and products. Demo Area is the best place to go to get familiar with the products of 260 startups. Startups at the booths will be different for Day 1 and 2. Note that only small part of startups will have a Demo Booth as there are altogether 2,000 startups attending to Slush. You can find the full list of registered startups from our website.

ROUNDTABLE AREA is for sessions where pre-registered startups and hosts share experiences and advices in intimate discussions. In case of availability, also startups who have not applied, can join the sessions.

MEETING AREA is where the magic happens. The area brings investors and startups together for negotiations. Please note that the area is accessible only with Investor, Startup, Executive and Media Badges.

MEDIA AREA is a designated working space for the 600 journalists attending Slush. Please note that the area is accessible only with Media Badges.

AGENDA

The agenda is built under five main themes, in addition to which there are numerous program tracks. This addition is made to help you find relevant topics from fields close to your interests. The themes and tracks are covered on all of the stages and structured on the agenda under the following headlines:

THE MIND OF AN ENTREPRENEUR is the main theme of the event. By having founders share stories about their hardest moments, we want to raise awareness about how challenges are a normal part of entrepreneurial life.

THE NEXT 100 YEARS OF YOUR LIFE covers the topics of Biotech, Education & Work, Health & Wellbeing, and Science.

SURVIVAL PLAN FOR PLANET EARTH covers the topics of Foodtech, Cleantech & Energy, Social Entrepreneurship, and Space.

AUGMENTING THE REAL LIFE covers the topics of Artificial Intelligence & Robotics, Gaming & Entertainment, Virtual Reality & Augmented Reality, and Music.

SELF-DRIVING SOCIETY covers the topics of B2B software & Internet of Things, Fintech & Blockchain, Mobility & Smart Cities, and Cybersecurity.

In the following pages you'll find the full agenda of Slush 2016. To get more info about a specific program, please visit Slush App or slush.org/agenda.

If you have claimed your badge in advance, choose the **Badge Holder** lane at the entrance. You can also claim your badge at the venue by choosing the **Badge Claim** lane at the entrance.

ARRIVING AND GETTING THERE

Slush 2016 will be held at the Exhibition and Convention Center of Helsinki (Messukeskus). The address is Messuaukio 1, 00520 Helsinki. Remember to wear your badge and wristband when entering.

EVENT OPEN

Wed Nov 30, 8:00am–6:00pm

Thu Dec 1, 8:00am–6:00pm

There are two entrances to the venue: **the southern entrance**, which is the main entrance, and **the northern entrance**, which can be accessed from the parking halls.

If you have not claimed your badge in advance, we recommend you to arrive from the southern entrance and choose the **Badge Claim** lane. However, you can also pick up your badge at the northern entrance.

CLOAKROOMS

Cloakrooms are located near the entrances and are free of charge. Please note that the cloakrooms cannot receive large items. Cloakrooms are open:

Wed Nov 30, 8:00am–9:00pm

Thu Dec 1, 8:00am–1:30am

Lost and founds can be brought to and enquired from the southern cloakroom near the southern entrance.

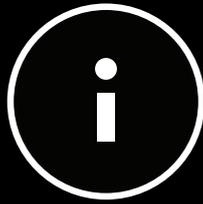

TRANSPORTATION

A **parking garage** is accessible from Ratapihantie 17. It is open 24/7 and one entry costs 12 euros (24 hours parking). You'll need a parking ticket to get out from the garage. Remember to buy it.

Public transportation (trains, trams, metros and buses) is world class and safe to use at any hour. We highly recommend using public transport to save your time. Try Journey Planner to make it easy: reittiopas.fi/en

Taxis are reliable and easy to get during daytime. Call number +358 100 0700 or use Valopilkku mobile app.

WE ARE HERE TO HELP YOU!

All of our dedicated volunteers are eager to help you! If you have any questions or feedback, say hi to anyone wearing a white Slush crew T-shirt. And the volunteers with the white beanies - oh do they go to the extremes for you! You can find them at the Info Desks and shuffling around the venue.

There are five Info Desks at the venue. Helsinki Regional Transport (HSL) cards can be picked up from Info Desk I, and used for paying all public transport. Notice that we only have a limited amount of cards.

INFO DESKS OPEN

Wed Nov 30, 8:00am–7:00pm

Thu Dec 1, 8:00am–7:00pm

We also provide a Live Help chat accessible through our app and website.

LIVE HELP OPEN

We appreciate any feedback you may have. Please share your insights to our volunteers and help us to make your Slush experience better right away.

FOOD AND BEVERAGES

THERE ARE SEVERAL FOOD TRUCKS AT THE VENUE SERVING DELICACIES FROM ALL OVER THE WORLD. TRUCKS ARE OPEN ALL DAY DURING THE EVENT'S OPENING HOURS. PRICES VARY FROM 10 TO 15 EUROS.

RESTAURANTS at the Food Court include Richard McCormick's, BBQ on Wheels, Gold & Green, Kimchi Wagon, Tortilla Company, Northern Exposure, Levant, Street Kitchen and Corner. Around the venue, Street Gastro, Cafe 7, and Helsinki Cafe will serve Slush visitors. In addition, there are two restaurants Wolt x North Bowl and Wolt x North Grill from where you can order food through Wolt-app or Wolt website. If you are stuck at the Meeting Area you can use Wolt to order Sushi Pokebowls from Wolt x New York Ninja. For grabbing lunch, Food Court is the place to go!

COFFEE AND TEA are served for no charge throughout the day in several spots: Meeting Area, Samsung stand, Futurice stand, Nordea stand, Lufthansa, Boat Cafe, and the biggest one Dalmayr Cafe at the Food Court.

WATER STATIONS can be found around the venue. We serve locally produced and filtered Thoreau water. Locally produced means that we use Finnish tap water – it is ranked as one of the best in the world - and filter and chill it on the spot. Enjoy the eco-friendly water still or sparkling. There will be biodegradable water cups at the water stations to drink from. **Note that we don't serve bottled water at the event.**

SLUSH STORE

The weather forecast for Helsinki in November? -1 celcius degrees, freezing rain and no sunlight. But don't worry – the official Slush A/W 2016 collection is made for jumping in puddles & staying warm.

This year's Slush gear features warm beanies, merino wool scarves, hoodies and T-shirts as well as customized Slush Hai Low rubber boots by Nokian Footwear, a Finnish design classic. Products can be pre-ordered through our online shop or bought at the venue.

While the Slush T-shirts and hoodies make a great gift, the Slush Store at the event will also sell customized cell phone covers and children's coding books to take home to your loved ones. Or remind you about the experience when slush has already melted away.

SLUSH STORE OPEN AT THE VENUE:

Wed Nov 30: 9:00am–6:00pm

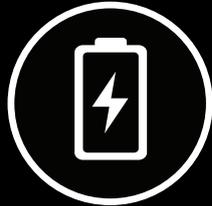

Thu Dec 1 9:00am–6:00pm

PRE-ORDER:

You can also pre-order part of the swag online or drop by the Slush store (Yrjönkatu 34) to get ready for the Slush season: store.slush.org

POWER UP YOUR MOBILE PHONE

We have a solution for your phone's sudden battery drain. There are several spots at the venue where you can charge your phone. There will be charging points at Elisa's and Fortum's stands. In addition, we have portable **powerbanks** available at Slush store that you can borrow with a deposit.

FIRST AID AND SAFETY

There is first aid service at the venue in case of accidents (see location from the map). In case of emergency, call the emergency number 112.

After that, let the staff know so they can clear the way for the arriving help. If you notice anything dangerous or suspicious at the event, do not hesitate to contact the staff.

We want to make you feel safe and secure.

SLUSH AFTERAFTERPARTY

Thu Dec 2, 00:00am–4:00am

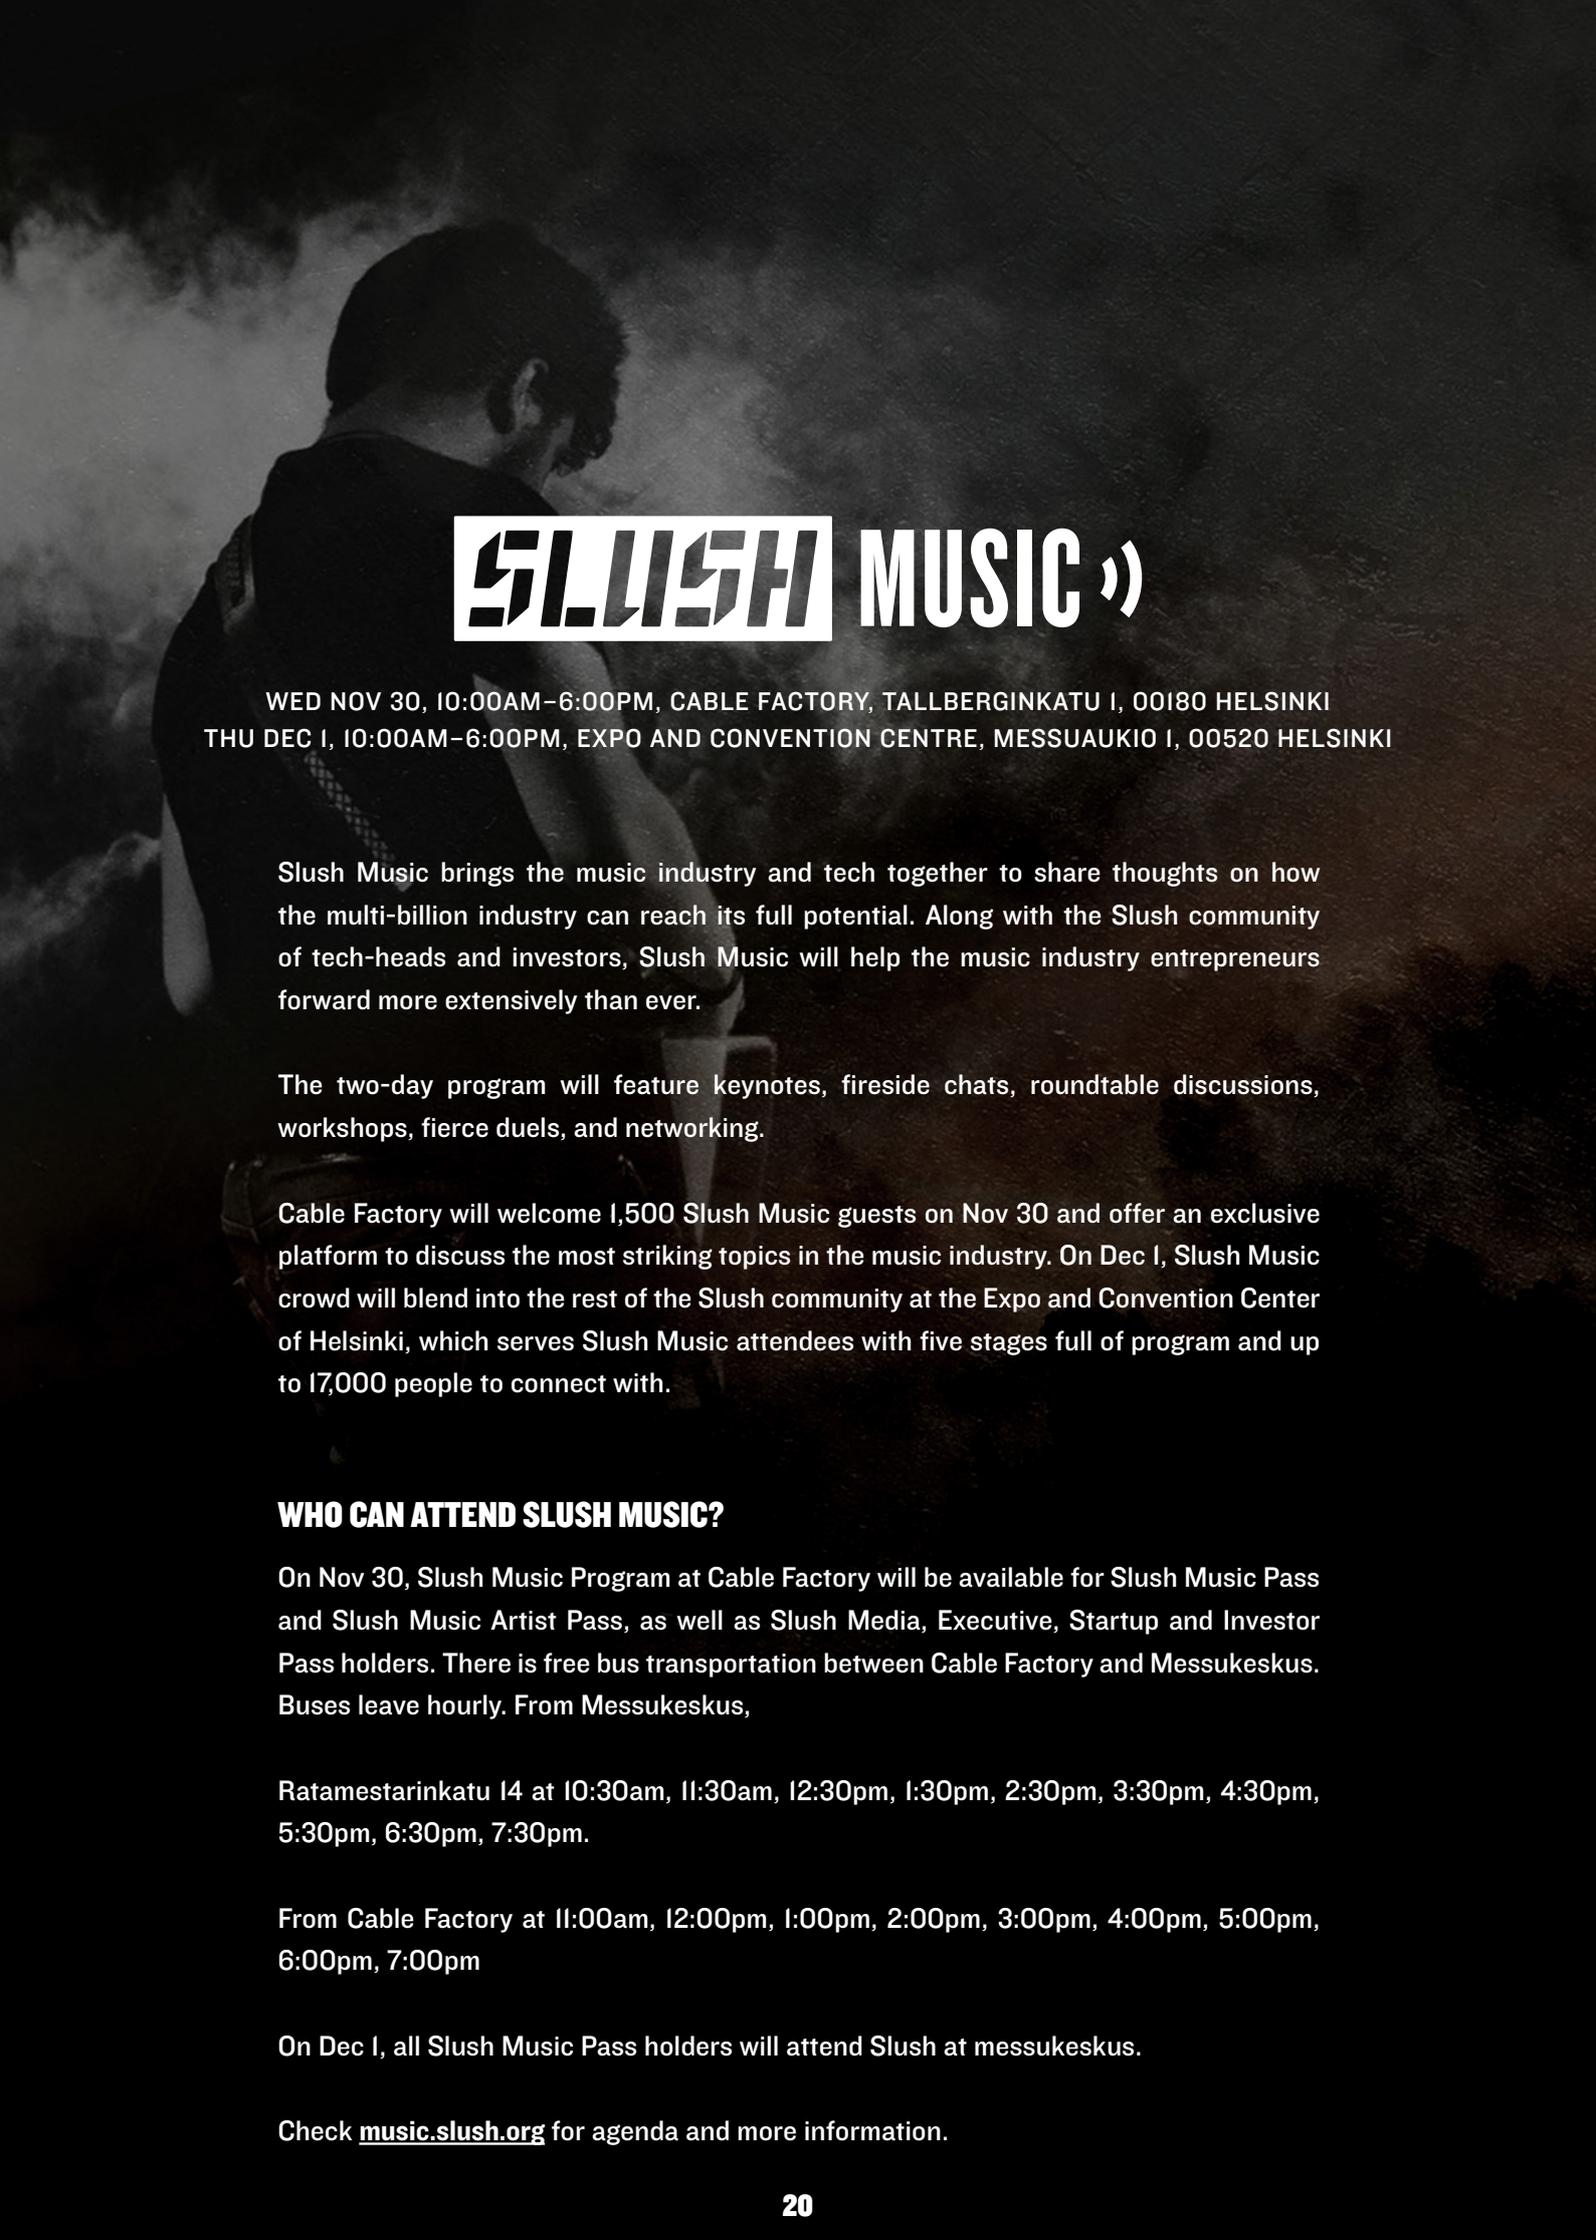

Maxine, Urho Kekkosen katu 1A, 00100 Helsinki

After the Slush Mythic Afterparty, the night continues at bar Maxine in the heart of Helsinki, with the best view over the rooftops. To give you no excuses to skip this party, we've organized a few buses from Messukeskus to Maxine between 0:45am–1:45am. Buses leave from Ratamestarinkatu 14. There are also extra trains going from Pasila to the city centre. You can access the party with your Slush wristband.

SIDE EVENTS

The whole Slush week is packed with exhilarating program around the Helsinki metropolitan area. In addition to the events organized by Slush, such as the Investor Day and Founders' Day, there are dozens of industry and theme specific gatherings diversifying the experience for Slush attendees. CHECKLIST FOR YOUR SLUSH JOURNEY

If the survival guide seems too long, here's a shorter checklist of things for you. These tips will ensure you'll be in the right place, at the right time and in the right mind.

BEFORE

- Download Slush app on your phone. The app is available in Apple AppStore and Google Play.
- Claim your badge in advance if possible.
- Get to know Helsinki: slush.org/helsinki
- Get to know your route to the event, the venue map and plan your schedule in advance.
- Pack comfortable shoes, warm clothes and business cards.
- Charge your laptop and phone! If you have power bank, there is no harm to take it with you.
- Start following the #slush16 discussion and @SlushHQ account! This is how you'll find out the latest news!
- Talk about Slush in advance. You never know who else is coming.

DURING

- Arrive early in the morning to ensure you're in time for the opening show the first day.
- Arrive early to the sessions. You'll have better seats, less queuing and a chance to catch up with others.
- Never skip lunch. Food brings people together.
- Remember to drink the world-class tap water from the water points around the venue.
- Collect contact details and take notes of people you've met.
- Try to collate the main points from each talk and discussion.
- Visit the startups at their booths in Demo Area.
- Check the Slush swag and souvenirs at Slush store.
- Join the discussion in social media during panels and keynotes. Follow #slush16 and @SlushHQ account.
- High five a volunteer. Slush is non-profit, so most of our staff are volunteers – they'll make you smile and wow!
- Share feedback to our volunteers to help us improve your Slush experience right away.
- Join the afterparties, tired or not. Everyone will be there.

AFTER

- Contact the people you met. This is the point where acquaintances turn into valuable contacts.
- Use Slush as a reference point in contacting people you didn't get to meet, but would like to connect with.
- Share your learnings with your colleagues. Compare experiences with other attendees.
- Check back on slush.org for the recorded talks, videos, photos and anything you might have missed during the days or want to recall back home.
- We will collect feedback from you. It will help us improve your experience for the next year.
- Look forward to the early-bird ticket sales for Slush 2017!

HELSINKI STATE OF MIND

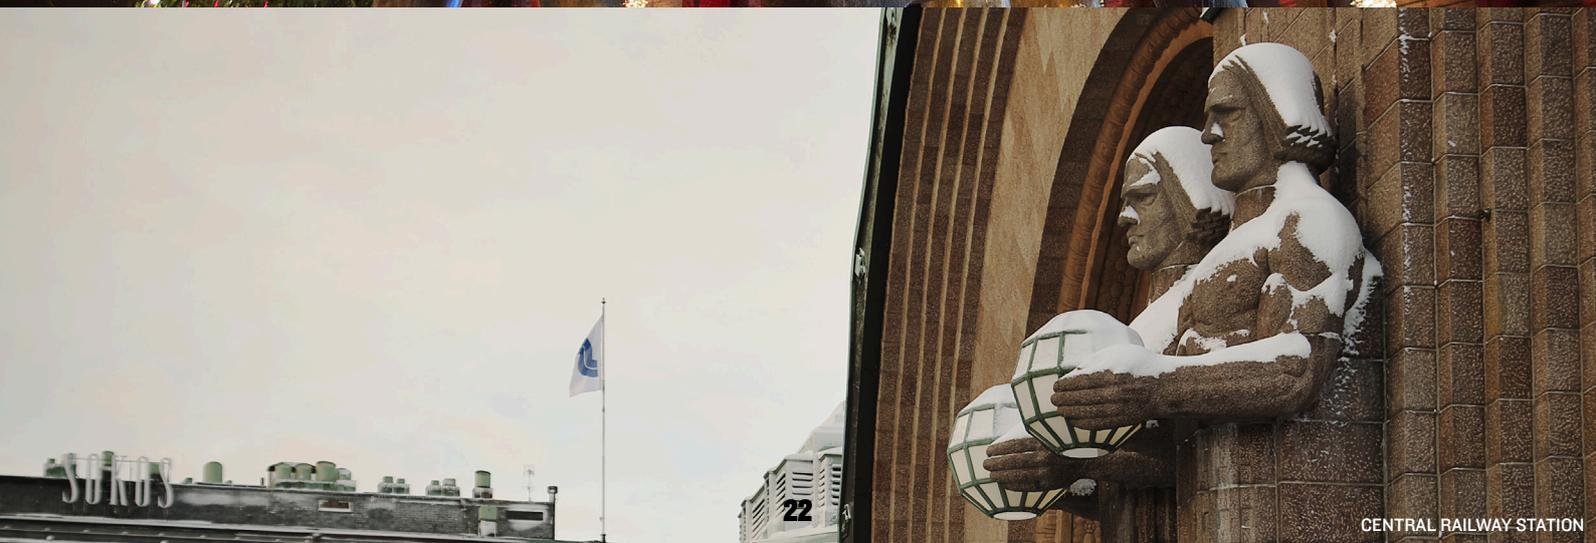

**FRESH AND SURPRISING. DYNAMIC AND LIVELY.
ENJOY THE SLOW RHYTHM OF URBAN HELSINKI.**

If you are wondering what to do in Helsinki outside Slush, visit our Helsinki Guide at slush.org/helsinki! We have listed our favorite things – from the comfiest hotel bed to the most heartwarming raw cakes and design saunas with spectacular sceneries.

If you have any questions regarding Helsinki during the event, we have a Helsinki specialist from Visit Helsinki to help you out at the Info Desk I near the southern entrance.
